

Welcome to Your Grade 4 Tech Adventure!

ICT360: Transforming You from Consumer to Creator

Get ready to explore
the digital world.

Don't just play
games—build them.

Don't just watch
videos—direct them.

The Big Mission: Stop Watching, Start Making

The Consumer

The Creator

Your Goal: By the end of Grade 4, you will be a Creator.

What's in Your Digital Backpack?

The professional tools you will master this year.

Zone 1: The Digital Artist

Skill: Painting with Pixels

Learn Digital Painting and Image Editing.

Make mistakes? No problem. Undo them in a second!

Tools: Tux Paint & Krita

Zone 2: The Code Master

Skill: Visual Programming

Coding is like giving the computer a recipe. You snap blocks together to tell characters what to do.

Project

Build your own interactive stories and mini-games.

Tools

  Scratch Jr & Blockly

Zone 3: Bringing Pictures to Life

Skill: Visualization & Animation

Concept: Learn the secrets behind your favorite cartoons.

Activity: Use Wick Editor and HUE Animation Studio to make your drawings move and talk.

Zone 4: The Storyteller

Skill: Digital Documentation

Great ideas need to look good.
Learn to type fast and design
pages that people want to read.

Tool: MS Word

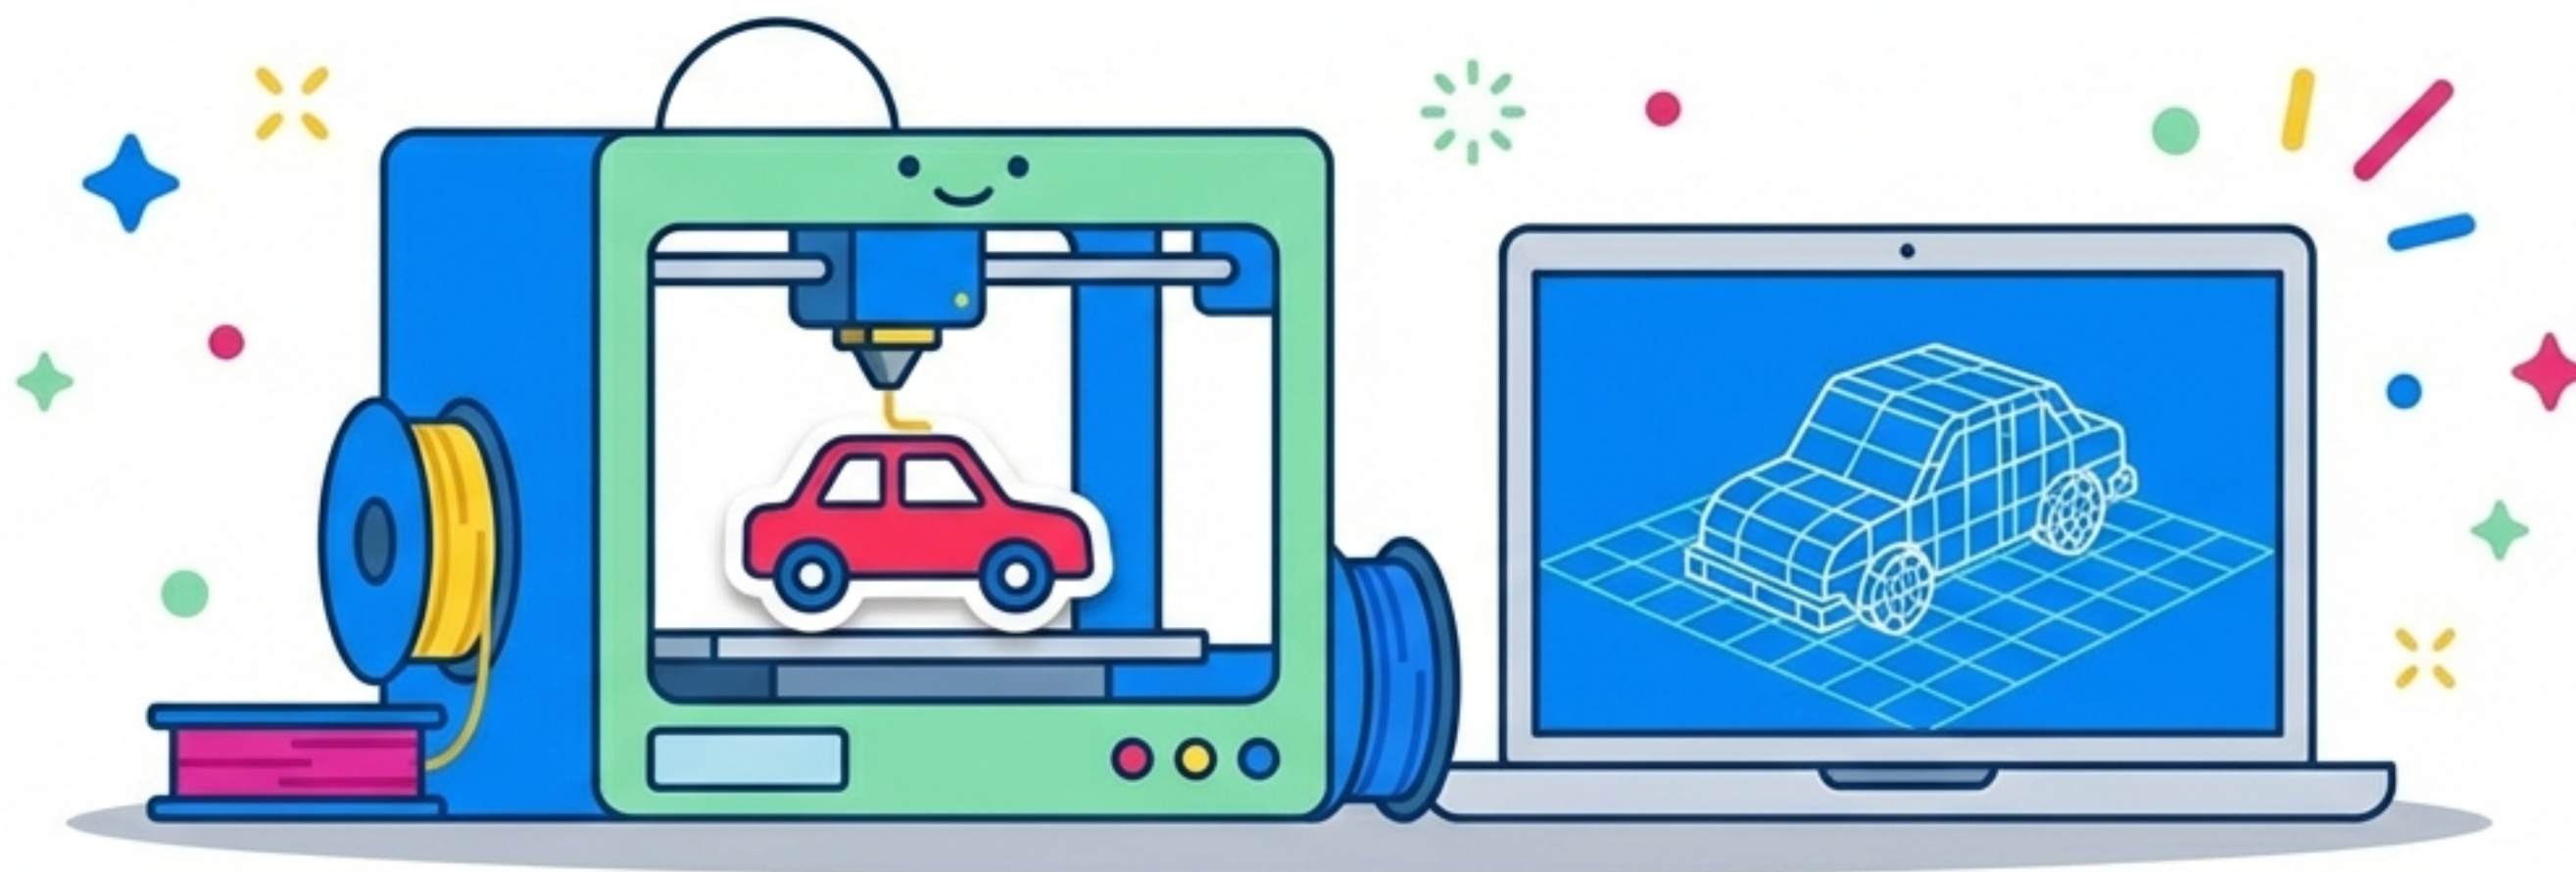

Outcome

Create posters, reports,
and storybooks.

Enter the Innovation Lab (i-LAB)

Where STEAM (Science, Tech, Engineering, Arts, Math) collides.

The Space: A creative environment to nurture innovation.

The Activity: Use TinkerCAD to design 3D objects in the air.

The Goal: Move from “thinking it” to “building it”.

Your Digital Shield

Cyber Security & Digital Citizenship

The internet is big. We must be smart and safe.

Protect your
passwords.

Be kind online.

Spot things that
aren't safe.

A Peek into the Future

Topics: Artificial Intelligence (AI) & Machine Learning

The Question: Can computers think? Can robots learn?

The Discovery: We will explore how machines help us solve big problems.

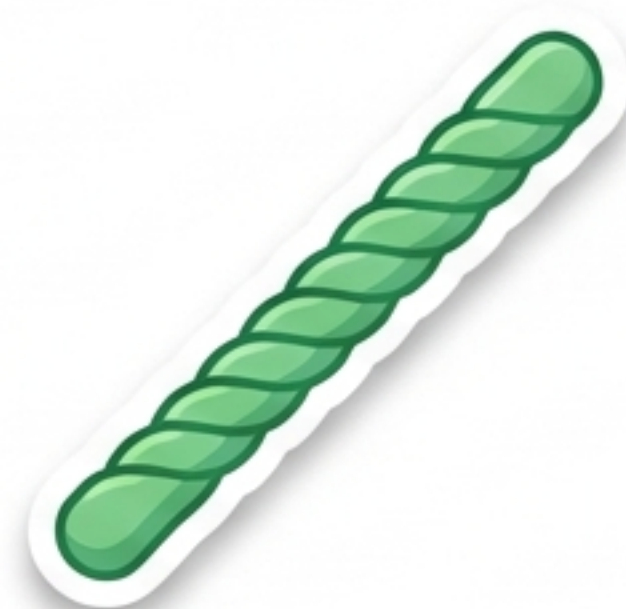

Be a Problem Solver

Problem

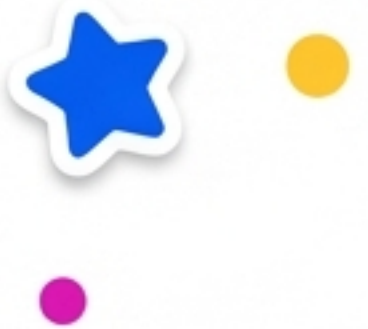

Tech Skills

Solution

Mindset: Change from a Problem Mindset to a Solution Mindset.

Action: Use your new skills to fix real problems at school or home.

Your Journey Begins Now

ICT360 Grade 4

- 
- 
- ✓ Computers are ready.
 - ✓ Software is loaded.
 - ? Are you ready to become a Tech Creator?

Let's Go!
