

Creating Digital Art

06

There is another software that has various drawing tools like pencils, sketch pens and brushes. Do you want to try it out?

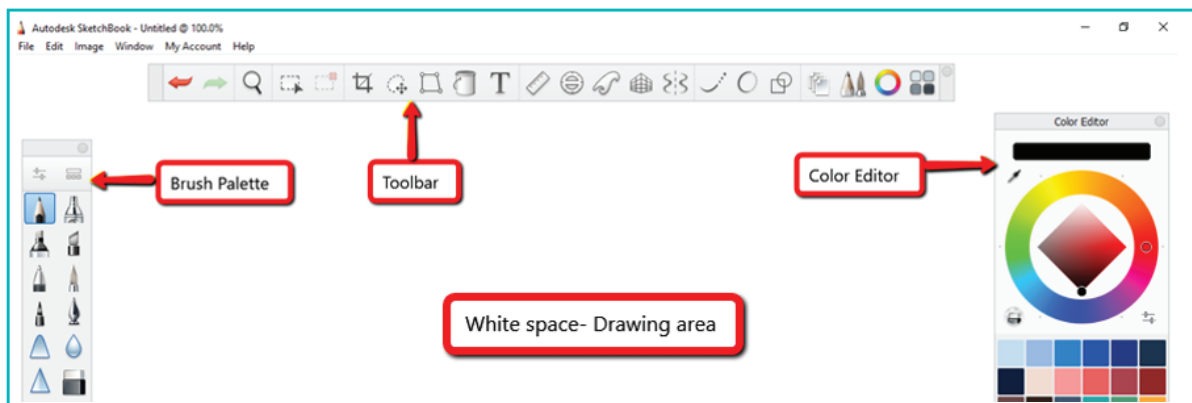

That sounds so nice!
Yes, I want to try it.

Introduction to Sketchbook :

Sketchbook is a software that is used to create digital art with pen-tablet. We can use it on a desktop computer as well as a mobile phone.

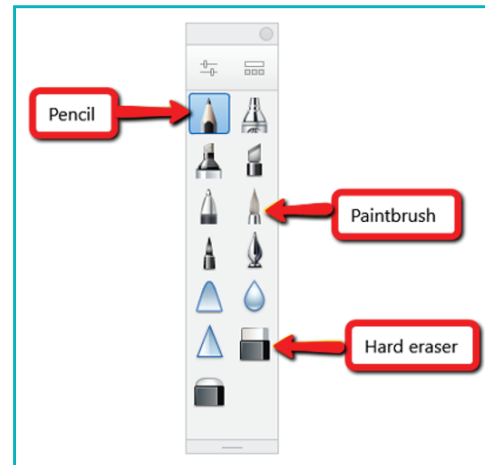

Sketchbook icon

Default sketchbook window

Brush Palette:

Different types of tools are available in the Brush Palette. Some of the tools are pencil, marker, paintbrush, hard eraser, and ballpoint pen.

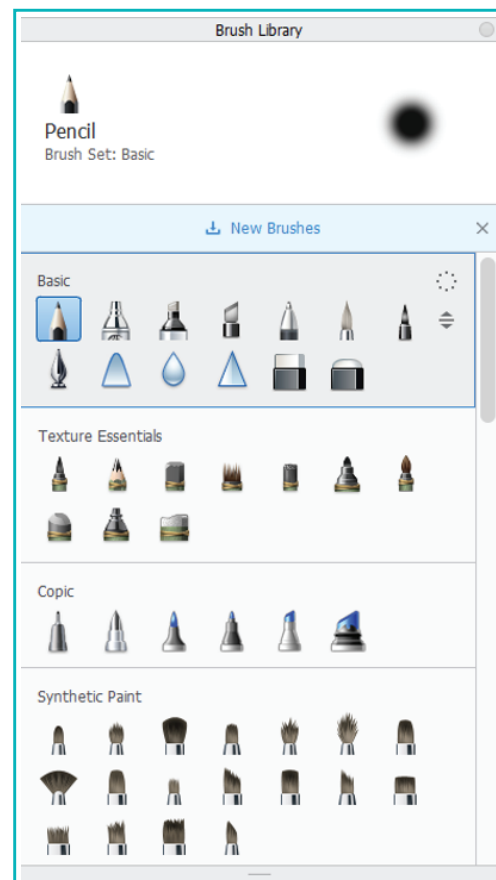

tools inside the brush palette

- It is expensive to buy a lot of different brushes and pencils in real life.

Real-life brushes

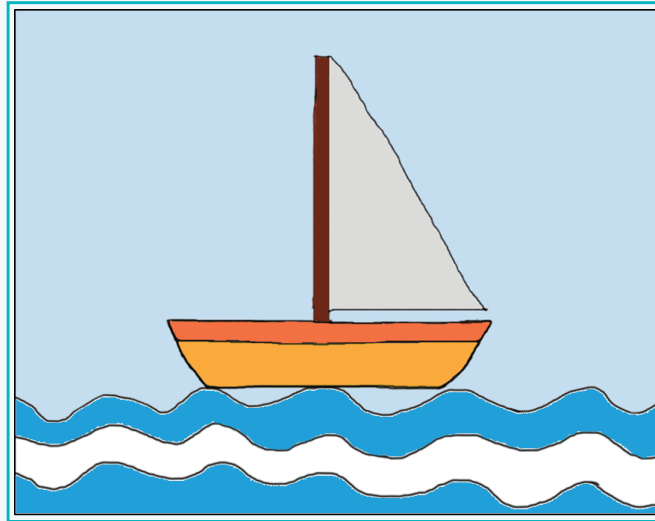

- In a software like Sketchbook, many drawing tools can be found inside the brush library.

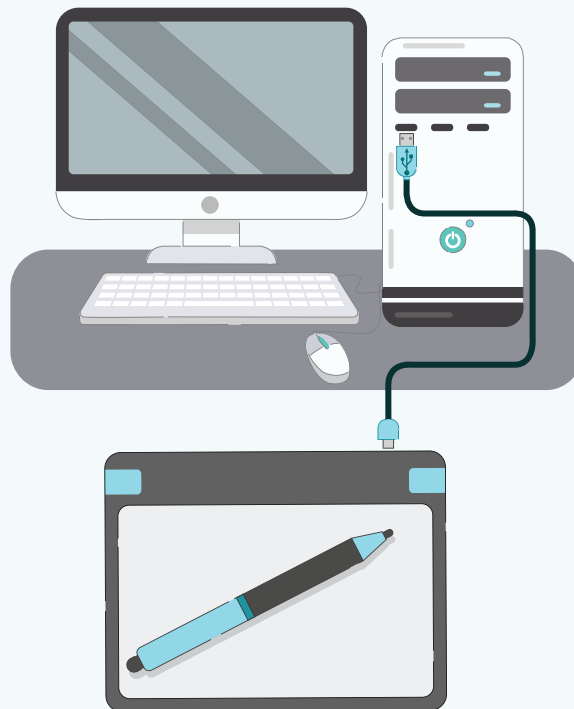

Brush library in Sketchbook

Activity 1

■ Draw a sailboat in Sketchbook with a pen-tablet.

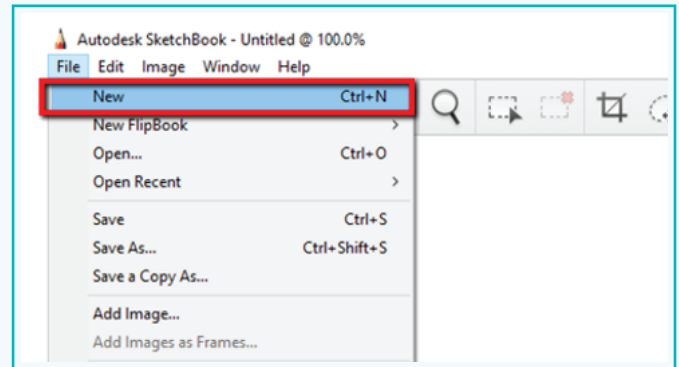

1 Connect the tablet to your computer with a USB cable.

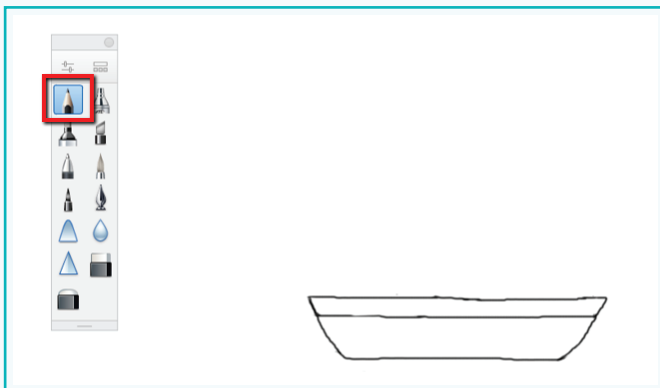

Connect tablet to the computer

Activity 1

- 2 Go to **File** and click on **New** option.

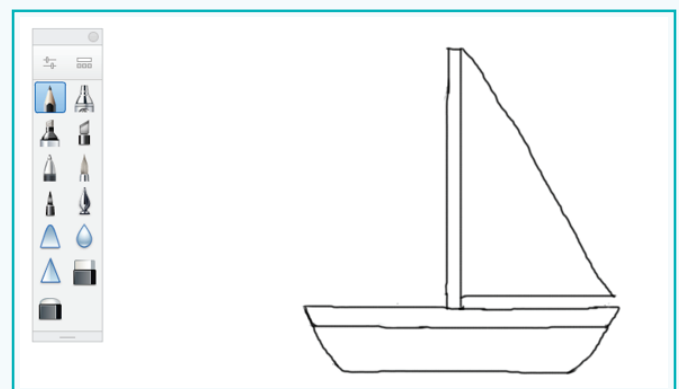

New file

lower part of the sailboat

- 3 Select Pencil Tool and draw the lower part of the sailboat using pen and tablet.

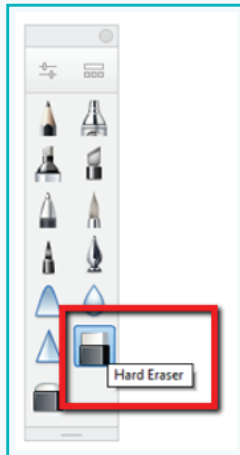

- 4 Draw the sail of the sailboat.

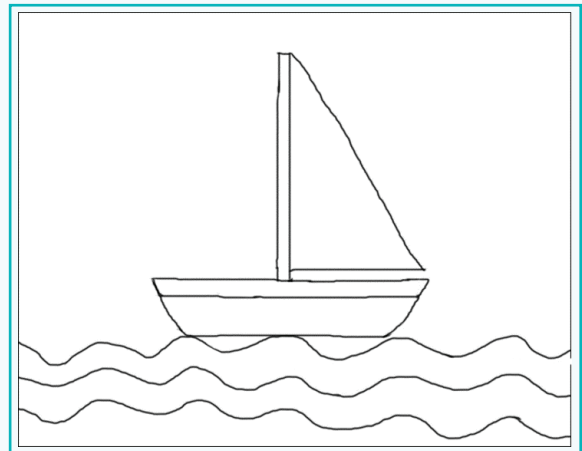

sail of the sailboat

Activity 1

- Use the Hard Eraser to correct a mistake.

- 5 Draw water waves for the sailboat.

Sailboat painting

Exercise

Tick mark ☒ the correct answer

- 1 Which of these is in the Sketchbook icon?

▲ a. Pen ☐ b. Pencil ☐ c. Eraser ☐

- 2 What will you use to draw in Sketchbook?

▲ a. Pen ☐ b. Pen Tablet ☐ c. Pencil ☐

▲ a. Hard Eraser ☐ b. Pencil ☐ c. Paintbrush ☐

Sketchbook also has different options to colour the drawings.

Color Editor

In Sketchbook, we use the Color Editor to select a colour.

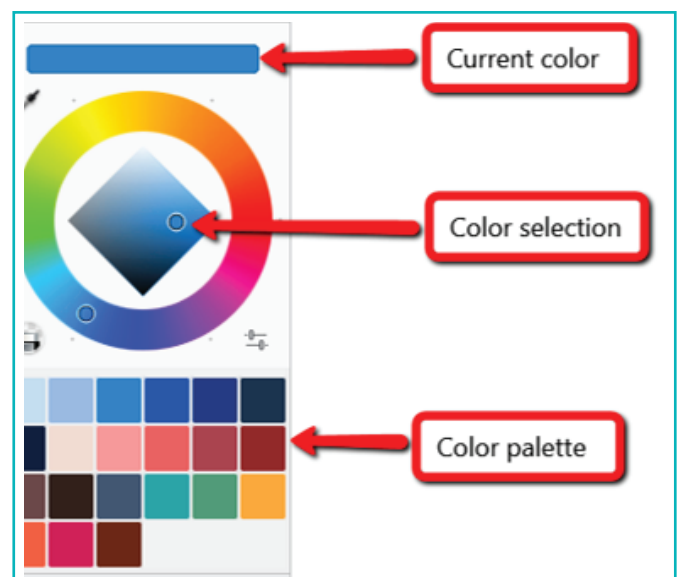

color editor location in Sketchbook

Current color : Shows the colour that is selected.

Color selection : Allows us to choose a colour from the colour wheel.

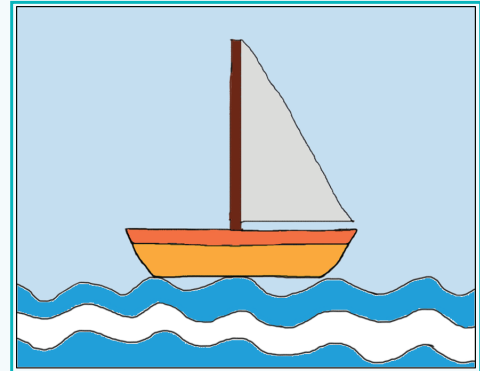

Color palette : Allows us to select different colour options.

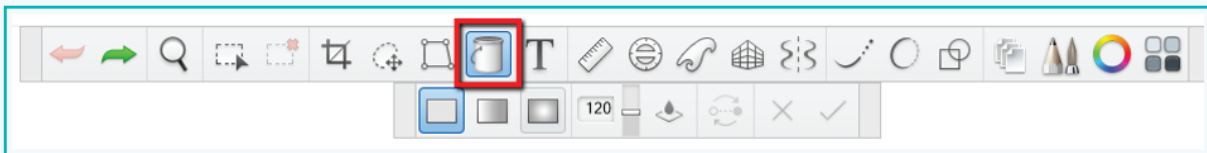

color editor

Activity 2

Use Flood Fill to colour the sailboat drawing.

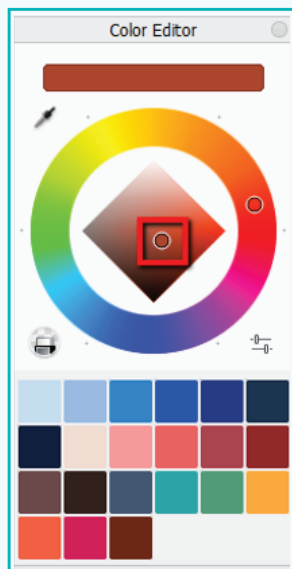

- 1 Open the drawing of the sailboat. Click on **Flood Fill** (bucket symbol).

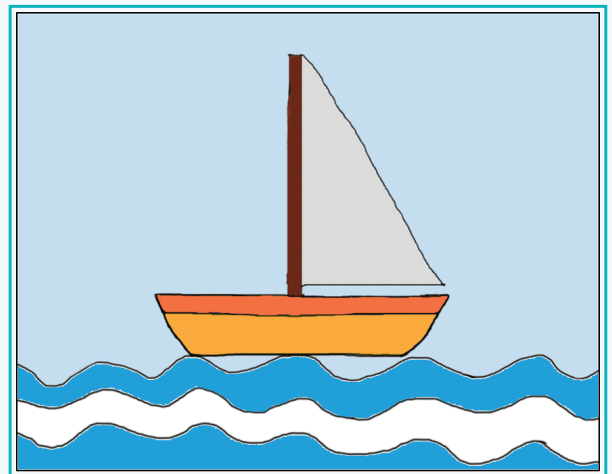

flood fill tool

- 2 Select a colour from the **Color Editor**. Click on the part that you want to colour.

select the colours

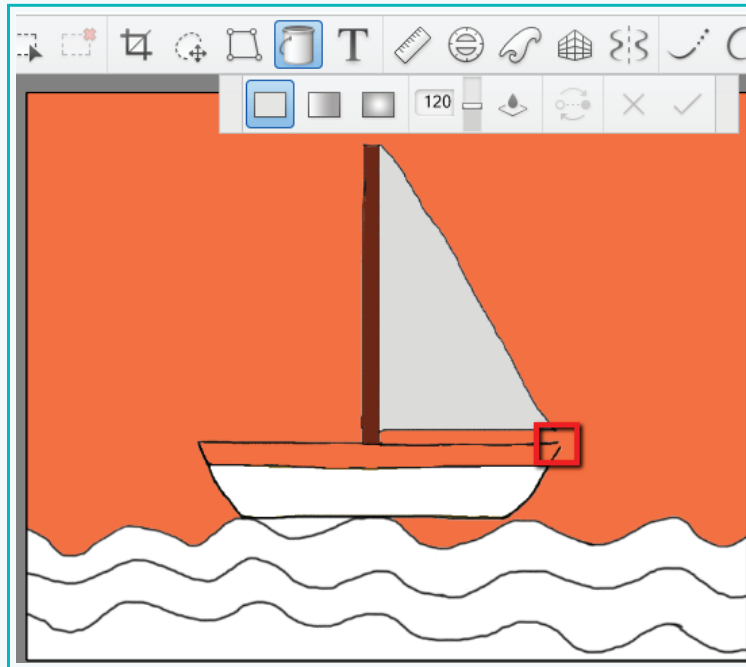

- 3 Fill colour in the sailboat.

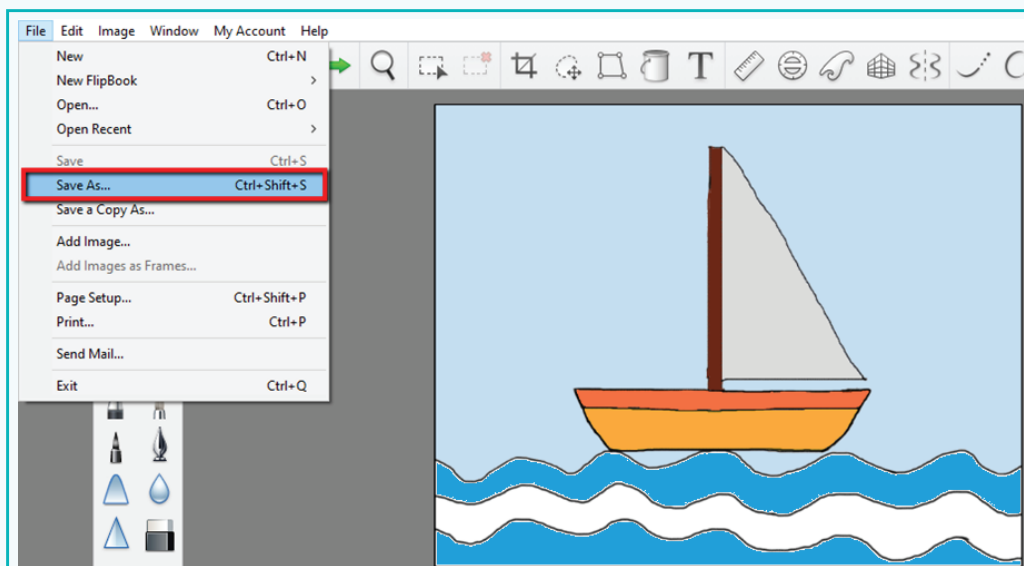

Colour the sailboat

Activity 2

- To use the **Flood fill** tool, we need to close all the borders of the drawing. If the lines are not connected, the colour will go out of the object.

- 4 Save the file with name as '**Sailboat**'.

Exercise

 Tick mark ☒ the correct answer

4 Which of these is not a part of the color editor?

 a. Current Color ☐ b. Color Section ☐ c. Pencil ☐

5 A tool that is used to fill color is called

 a. Pencil ☐ b. Brush ☐ c. Flood fill ☐

Tech Flash

- 1. Sketchbook** : A software to create digital art.
- 2. Software** : A set of instructions that tell a computer how to do a task.
- 3. Brush Palette** : Options to select brushes and other tools.
- 4. Workspace** : A blank area that is given to draw in a software.
- 5. New File** : A file to start a new drawing.
- 6. Color Editor** : A tool used to select colours.
- 7. Flood Fill** : Used to fill colours in the drawing.

Future Tech

In-display Pen tablet

This is a mix of a pen-tablet and a touchscreen monitor. With this, we can draw directly on the display screen. We do not need two different devices to draw and view the display.
