

The Makeover Mission: Sanya's Trip to Riyadh

Mastering SmartArt & Hyperlinks in PowerPoint

Bad Slide

[illegible]

Your Toolkit for Success

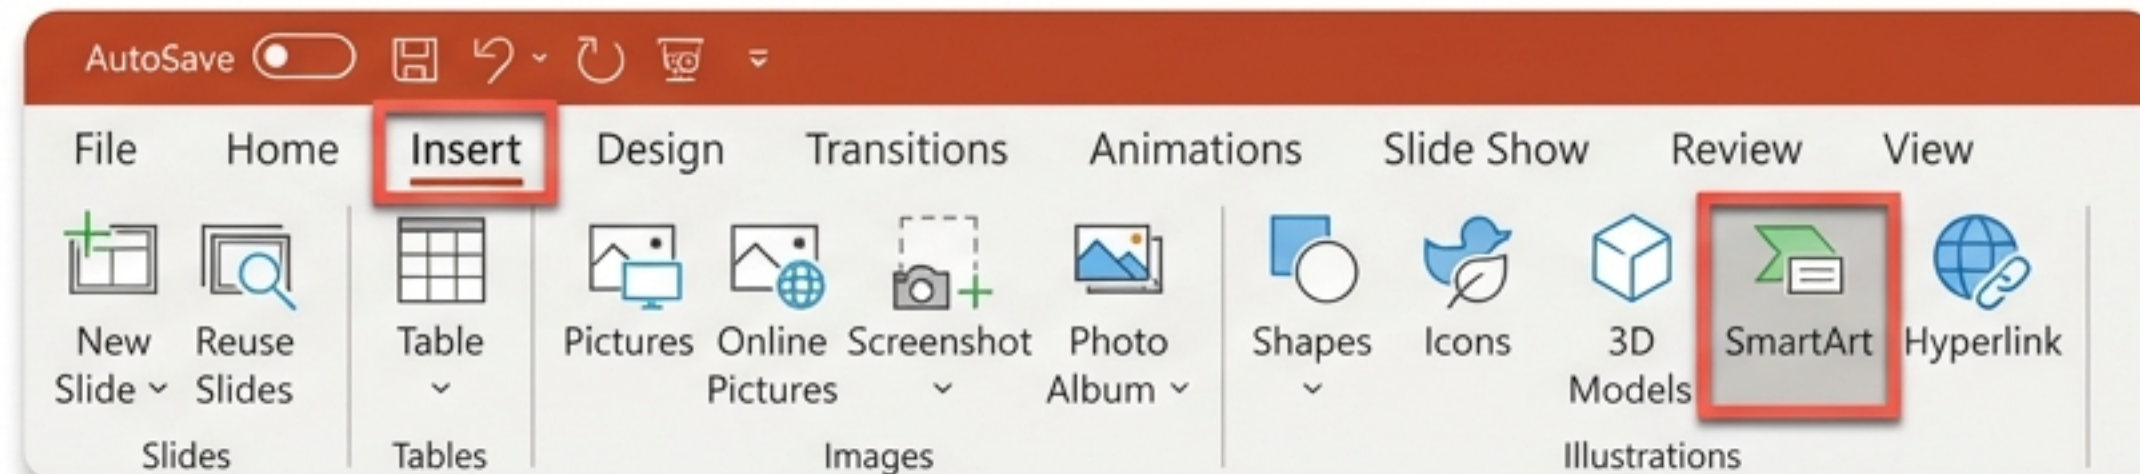

SmartArt

Visualizes ideas using shapes instead of just text. Use it to show lists, processes, or cycles.

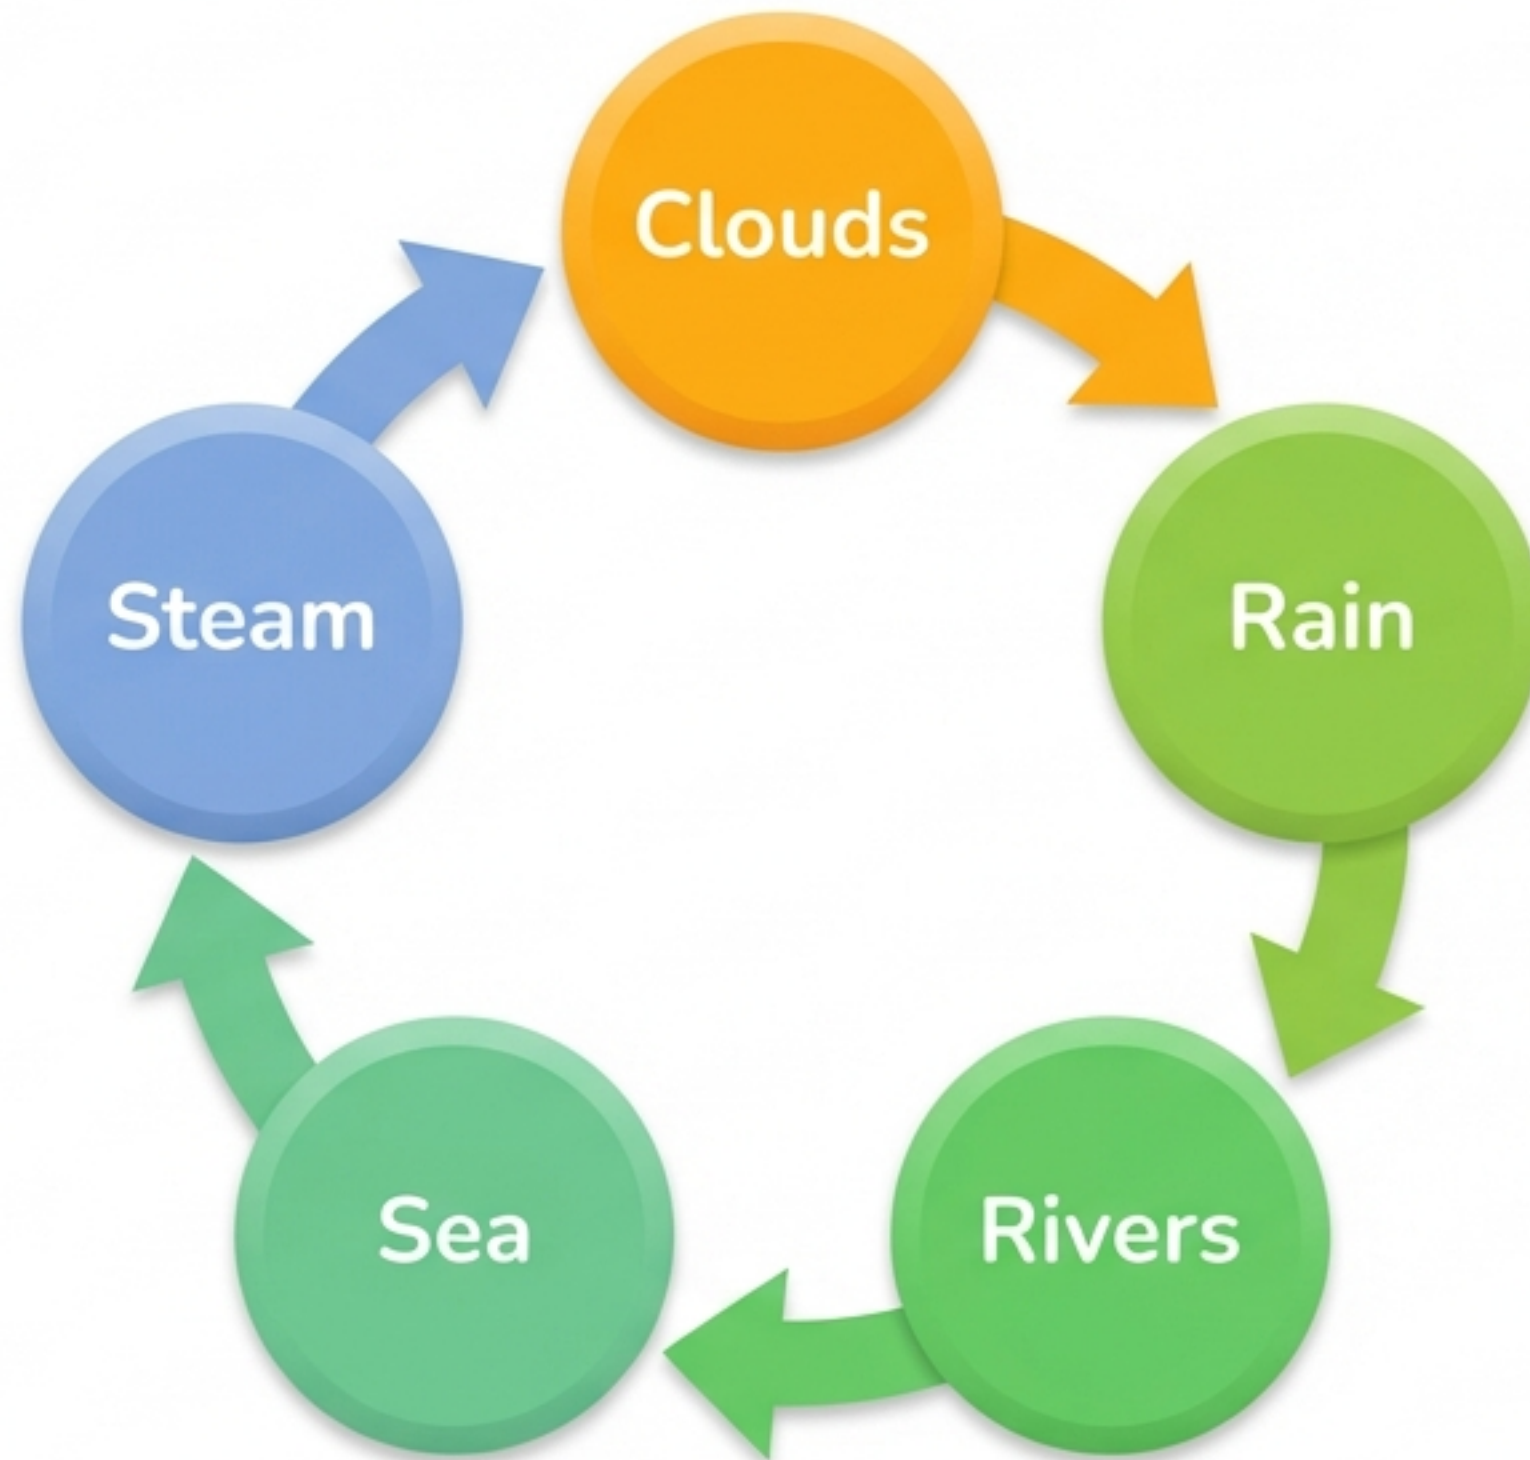

Hyperlink

A Magic Door connecting ideas. Use it to jump to websites, files, or other slides.

Why Use SmartArt? Visualizing Ideas

SmartArt Categories

List

When order doesn't matter.

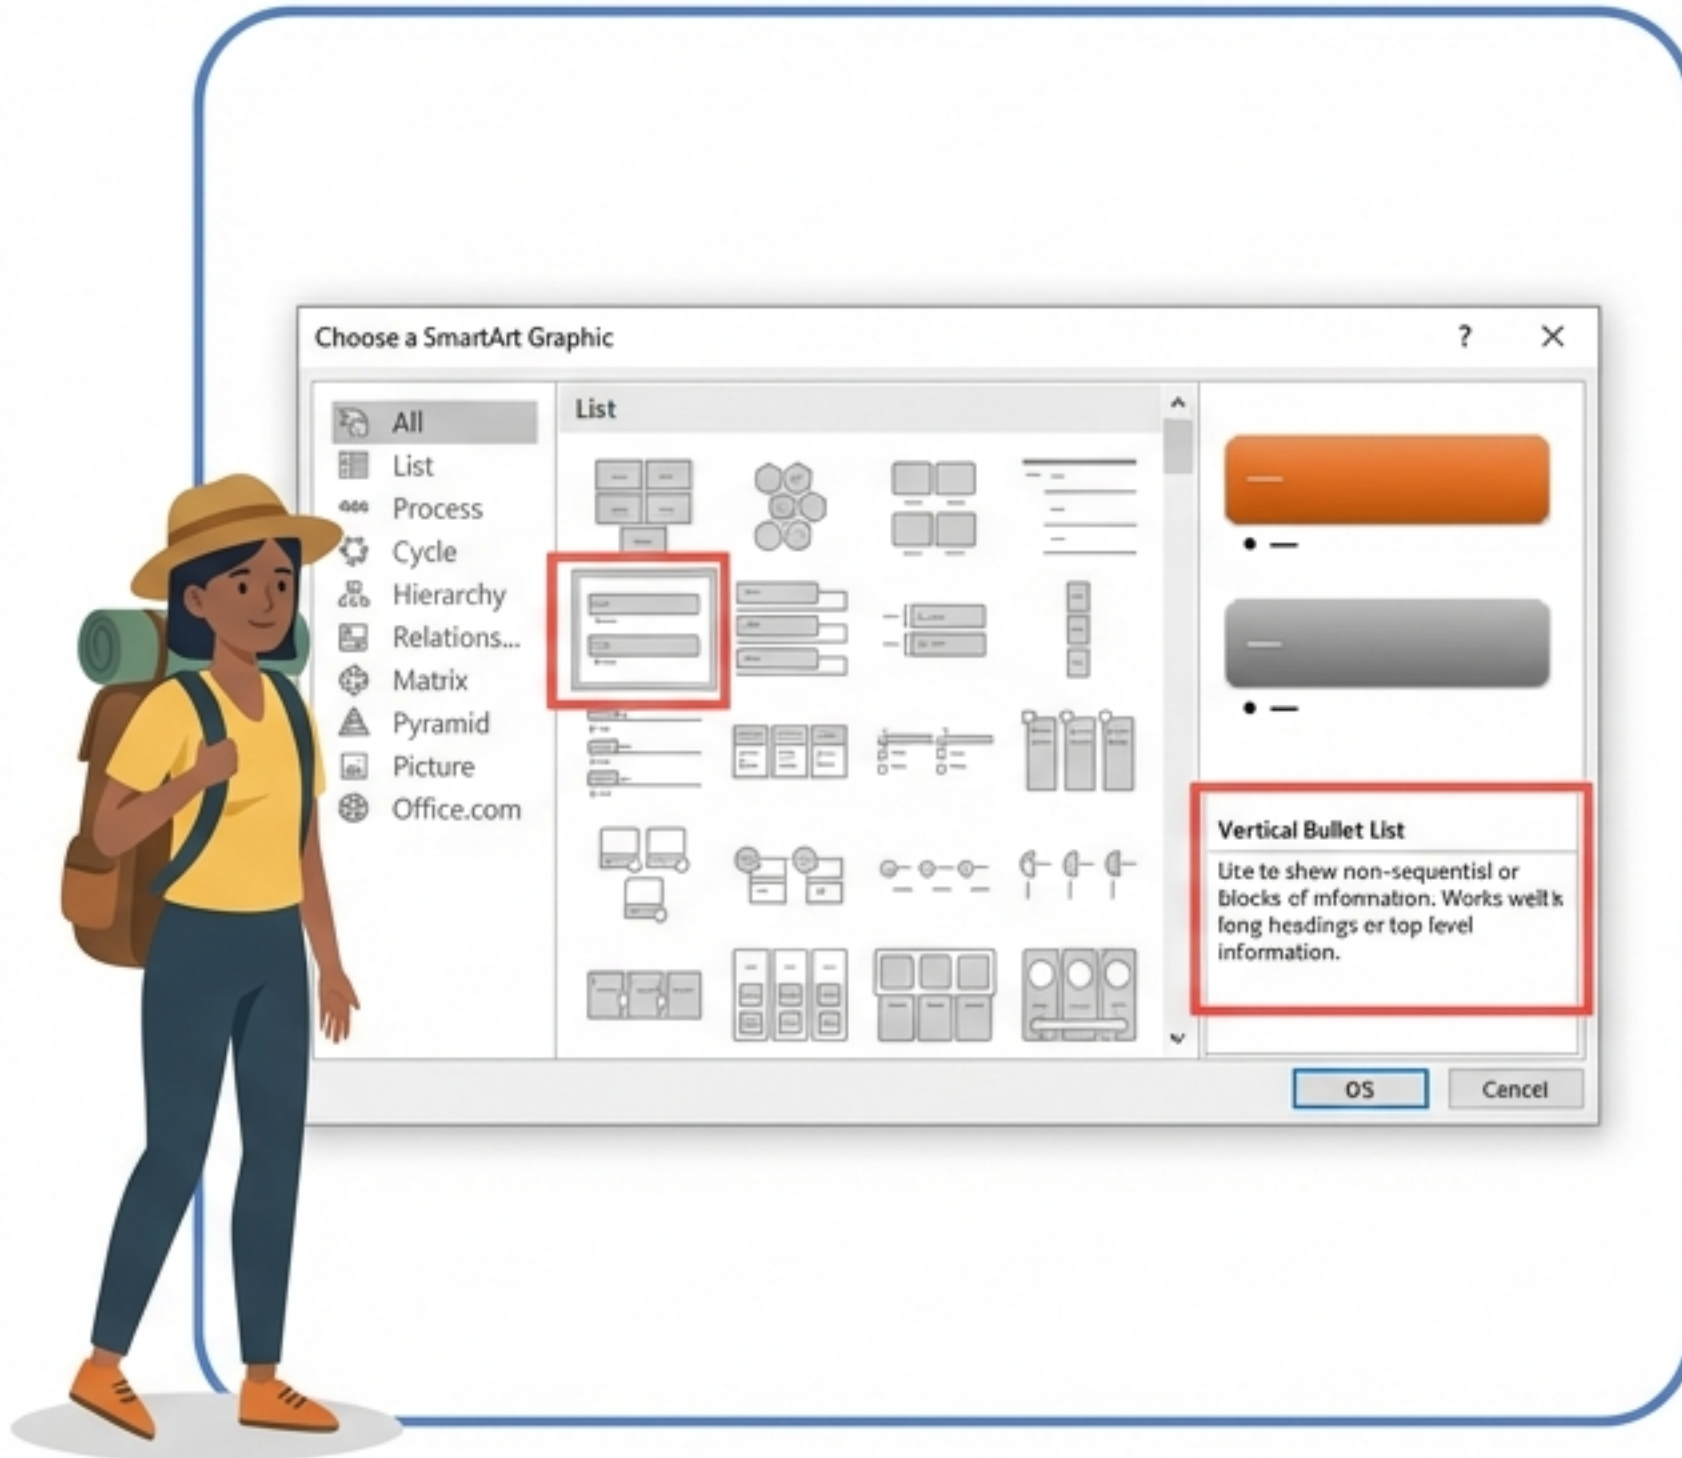

Process

Showing steps.

Cycle

Showing a loop (Like this one!).

Makeover Step 1: The Colorful Summary

Preparation

Journey Route

Places to Visit

Dos and Don'ts

Pro Tip:

Use the Design Tab to Change Colors!

Makeover Step 2: Packing the Backpack

Using 'Basic Radial' SmartArt for Relationships

Makeover Step 3: Mapping the Route

Using 'Vertical Bending Process' SmartArt for the Path

Makeover Step 4: Places to Look For

Makeover Step 5: Safety First (Dos and Don'ts)

Dos

- Drink enough water
- Carry lemon water
- Watch your bags

Don'ts

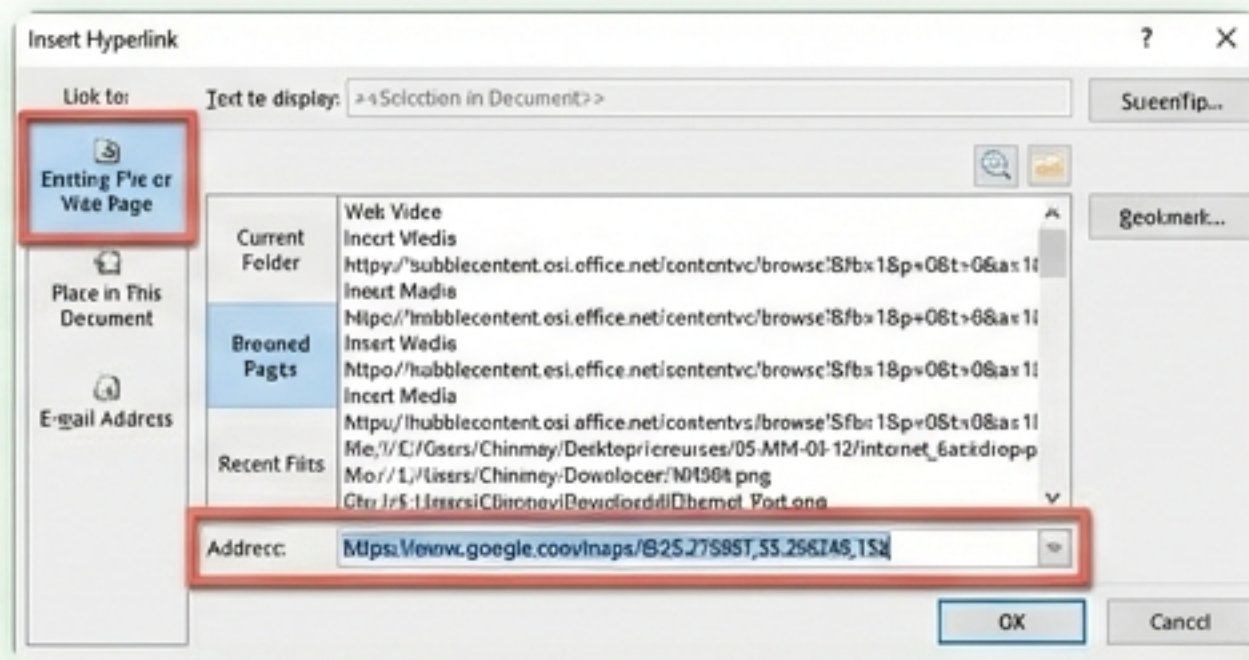

- Don't try risky adventures
- Don't disobey parents
- Don't go deep in water

Making it Interactive: External Hyperlinks

- Cut
- Copy
- Link**
- Properties

Insert Hyperlink

Tech Flash

External Links open websites in your browser!

Navigation Magic: Internal Hyperlinks
